All Ready for the Thanksgiving Rush Tomorrow to Buy Furs in This Great Value Concentration Occasion

WE have been preparing this fur campaign since last March.
We give you the benefit of our planning BEFORE Thanksgiving and Christmas--when you require furs most--not afterwards!
You can buy furs now for these three great reasons at the lowest prices possible for furs of satisfactory quality.
Since we purchased these furs prices have advanced considerably. *Saving Number One.*
They were made up in the summer when labor cost on furs is lowest. *Saving Number Two.*
They were made up in our own workrooms; no middlemen's profits. *Saving Number Three.*
These are the reasons you cannot match them elsewhere at the price.
Back of this--78 years specialists in furs!
These are points for shrewd buyers to ponder. They have a real money meaning!

We Reserve Your Purchase on a Small Deposit or Charge It on Bill of January 1

"COMEBACKS" is the term given by our salesladies to women who have examined our stock, then go to other shops to compare our styles and prices and "come back" to Mawson & DeMany's, not only to tell us we have the best values in Philadelphia, but to buy. This happens so often in our store every day that we cannot refrain from speaking thus publicly about it.
